

*Networking for ”
“ better students sport*

What is ENAS?

European Network of Academic Sport Services

A network (and family) of sport services in higher education institutions

Founded in 1997 in Chambéry, France

Focused on grassroots sports

Our mission

ENAS promotes and develops sport for all in Higher Education and encourages communication and mobility between Academic Sports Services.

Our purpose

to develop communication between Academic Sports Services

to exchange ideas and experiences

to encourage the mobility of professionals involved in sport services and students

to promote recognition of the Academic Sport Services
