

CALL FOR APPLICATION (2015) FOR POSTDOCTORAL SCHOLARS FROM FREIE UNIVERSITAET BERLIN

Thanks to a DAAD-grant, the *Dahlem Humanities Center* of Freie Universitaet Berlin has established the Thematic Network *Principles of Cultural Dynamics* (PCD). We are pleased to announce **5 Global Humanities Junior Research and Teaching Stays** for postdoctoral scholars from Freie Universitaet, working on questions related to the network's topic. Fellows will be able to conduct research at one of the PCD network's partner institutions for **three to five** months:

1. **Harvard University, Mahindra Humanities Center**
2. **The Hebrew University of Jerusalem, Faculty of Humanities**
3. **The Chinese University of Hong Kong, Research Institute for the Humanities**
4. **The Johns Hopkins University, Humanities Center**
5. **École des Hautes Études en Sciences Sociales (EHESS), Paris.**

Fellows are obliged to teach one session at the PCD network's *Global Humanities Campus*, which consists of a two-week summer school and a workshop, and which will be taking place in Berlin in the summer (July 20 – August 2, 2015). Fellows may schedule their research stays abroad at a time of their choosing in 2015, so long as they are able to fulfill their teaching duties at the *Global Humanities Campus*.

Fellows will receive a lump sum for travel purposes, as well as a subsidy toward accommodation expenses, both administered by the PCD-network. The PCD-network will also assist fellows in preparing their stay.

For further information, please refer to the network's website (<http://www.fu-berlin.de/en/sites/principles-cultural-dynamics/index.html>) or contact the program coordinator Lisa Münzer (pcd@fu-berlin.de). In case they decide to apply, applicants should be prepared to submit the following documents electronically:

1. CV
2. Personal statement (2-3 pages), describing their research project and its links to the network's theme of cultural dynamics; their interest in the partner institution; as well as the time of their intended stay
3. A copy of their doctoral degree
4. Proof (e.g. in the form of an email exchange) that applicants have established contact with researchers at the partner institution with whom they wish to cooperate

Application materials should be in English, and emailed—as one document—to pcd@fu-berlin.de by February 28, 2015.
