

DAHLEM POSTDOC FELLOWS are integrated into Freie Universität Berlin's research networks:

COLLABORATIVE RESEARCH CENTERS (SFBs)

Collaborative Research Centers are long-term university-based research institutions, funded by the German Research Foundation and established for up to 12 years, in which researchers work together within a multidisciplinary research program.

EXCELLENCE PROGRAMS

Freie Universität Berlin is one of the most successful universities of the German Excellence Initiative. Excellence Graduate Schools provide structured doctoral education in an outstanding research environment and facilitate early integration into the academic community. Research Clusters investigate cutting-edge research topics in interdisciplinary groups together with partners in the Berlin-Brandenburg region.

FOCUS AREAS

One of the special features of research at Freie Universität Berlin is the university's targeted formation of research alliances called Focus Areas. The Focus Areas form academic and scientific networks and are working platforms for interdisciplinary collaborative research at Freie Universität.

HONORS Fellows are integrated into DRS Doctoral Programs:

DAHLEM RESEARCH SCHOOL has established an overarching framework for structured graduate education at Freie Universität Berlin and offers 27 doctoral degree programs in the following subject groups: Humanities, Social Sciences, Natural and Life Sciences.

DAHLEM RESEARCH SCHOOL | Center for Junior Researchers

DRS POSTDOC FELLOWSHIP PROGRAM

The DAHLEM POSTDOC FELLOWSHIP and HONORS FELLOWSHIP integrate highly qualified junior researchers into the university's interdisciplinary and international research networks in an early phase of their career. Both lines are coordinated by the DAHLEM RESEARCH SCHOOL. The DAHLEM POSTDOC FELLOWSHIP is offered in cooperation with the Center for Research Strategy.

WHY APPLY?

- work independently on your own research topic
- develop your scientific expertise strategically
- establish yourself in your field, e.g., by publishing
- start new co-operations in a stimulating research environment
- develop teaching and leadership skills
- prepare for the next step – a leadership position

DAHLEM RESEARCH SCHOOL

DAHLEM RESEARCH SCHOOL (DRS) is the Center for Junior Researchers at Freie Universität Berlin. Enhancing quality graduate education, DRS provides research training and professional development opportunities to its researchers at every stage of their graduate careers.

CENTER FOR RESEARCH STRATEGY

The Center for Research Strategy (CRS) promotes cutting-edge research at Freie Universität Berlin. It provides support for junior researchers and guidance in the expansion of existing research networks, for example in the context of Focus Areas.
