

# ENHANCING LIFE FOR THE BETTER? | AT BAYER YOU'RE EXPECTED TO.

Bayer is a global enterprise with core competencies in the Life Science fields of health care and agriculture. Its products and services are designed to benefit people and improve their quality of life. At Bayer you have the opportunity to be part of a culture where we value the passion of our employees to innovate and give them the power to change.

## Accounting Trainee (m/f) - International Financial Management (IFM)

### YOUR TASKS AND RESPONSIBILITIES

During your 18-month trainee program you will gain a comprehensive overview of all functional areas in our global accounting organization. You will experience the accounting processes in all stages first-hand. You will be assigned to challenging and exciting tasks and activities in our global accounting organization, passing through a range of different stations within accounting and adjacent functions like Controlling, Auditing and Finance. Accounting is an international, highly communication-driven function. Staying in different functions and departments in Germany and abroad you will build a strong professional network.

### WHO YOU ARE

- Superior university degree in business, economics or industrial engineering with focus on Controlling, Accounting, Finance, Auditing or Corporate Planning
- Some experience through business specific, preferably international, internships or studies abroad
- Knowledge in natural sciences is also appreciated
- Strong analytical and conceptual skills
- Flexibility, and mobility for international postings within the Bayer Group
- Fluent in English, both written and spoken

### YOUR APPLICATION

If you are interested in gaining experience through a dynamic program in an innovative and global company, please submit your online application with your complete records. Please indicate in your cover letter Accounting as functional area you are applying for.
