

Are you curious about the
impact of consulting on the
new energy world?

Meet E.ON Inhouse Consulting in Berlin and learn how we drive change in E.ON!

Be part of our "Design Thinking" workshop and use the chance to explore new ways to develop customer-centric products for E.ON. Get to know the intelligent city of the future and climb the old Gasometer at EUREF campus. Learn more about your individual career opportunities at ECON and gain insight tips on how to successfully prepare for our recruiting process. What else? Experience our exceptional team spirit during an informal dinner event and have fun with our consultants.

Our event in a nutshell:

Who: Master's, MBA and PhD students of Berlin, Leipzig, Dresden and Potsdam universities

When: June 23rd, 2017 at 10 a.m. – 7 p.m., followed by informal drinks and dinner

Where: EUREF campus Berlin

Did we spark your interest?

Then sign up now and send your application (CV and transcripts) to energize-your-career-econ@eon.com by June 11th, 2017.

We are looking forward to meeting you soon!

Your energy shapes the future.
