The Brexit Referendum and the Future of the European Idea

Berlin, 30 Nov - 1 Dec 2016

On 23 June 2016 the **EU-Referendum** in the United Kingdom turned out in favour of leaving the European Union. The unprecedented outcome has led to many questions about the consequences of the Brexit, the so-called Divorce-Procedure and last but not least the future of the European Idea.

Apply now to discuss these questions in a simulated European Council Meeting!

There will be three mandatory preparation meetings on 21 October (14-16h), 4 November (16-19h) and 25 November (14-16h). Conference language will be **English**.

Students from all faculties are invited to apply! It is possible to receive 5 ECTS-credits.

Bewerbungsschluss: 21. August 2016
