# SAMSUN

- Samsun is the main and largest Metropolitan city of the Black Sea Region with a population of 1.3 million and it is the trade, industry, finance and health centre of the region.

- Samsun is one of the four cities in Turkey which has a consolidated transport infrastructure: airway, railway, overland route and sea route.
- It is an energy (natural gas) station: Blue Stream Natural Gas Pipeline and Samsun Ceyhan Oil Pipeline

- Samsun is also an important agricultural centre with its fertile Bafra and Çarşamba Plateaus and the 2 Rivers **Yeşilirmak** and **Kızılırmak**.
- Primarily tobacco, hazelnuts, wheat, rice, sugar beet, corn, other nuts, sunflower, fruits and vegetables and various kinds of agricultural goods are grown in these lands.

- The Kızılırmak Delta is considered to be one of the most important bird wildlife habitats
- (352 bird species)
- in the world.

- The founder of the Republic of Turkey, Mustafa Kemal Atatürk initiated the “War of Independence” on **19 May 1919** in Samsun. Because of this, Samsun is also called the “City of Ondokuz Mayıs”.

**Samsun also famous for....**

- History that dates back to 7th Century B.C
- Legend that the Amazons lived in Terme, Samsun
- ★ Thermal springs in Havza and Ladik
