I love the vibe here. It's near the beaches and I love surfing, so that's awesome. Transportation is so good, and I can get everywhere quickly and easily. It's really simple to meet people - there are lots of different events going on, so it's easy to fit in.

Most university programs in Australia go through to July and that would not allow me to do a summer internship back home in America. But since they just switched to the 3+ term system here at UNSW, it works out perfectly for me.

Places to live.

Room to grow.

Whitehouse near UNSW Village

The UNSW campus is in the Eastern Suburbs of Sydney and many students choose to live by the beach in Coogee, Clovelly, Maroubra or iconic Bondi Beach. UNSW is a commuter campus, so, the majority of local and international students live off campus. Sydney is a safe, accessible and vibrant city, with public transport connecting the UNSW campuses to nearby beaches and the city centre.

See all our accommodation options and get advice at joom.ag/8bte

On Campus Colleges

Both affiliated and UNSW Colleges provide a choice of full-board, partly catered and self-catered style accommodation. There are male-only and female-only options, as well as mixed male and female accommodation. Most colleges cater for dietary requirements like halal, kosher and vegetarian.

On Campus Apartments

Affiliated and UNSW Apartments offer independent-style, self-catered living for students. Costs vary depending on the number of rooms and the location.

Off Campus Student Accommodation

Sydney has several accommodation providers who specially cater to students. Accommodation is located around Sydney – generally around 20-50 minutes by public transport from the UNSW campus. These options offer high-quality rooms with air conditioning and extra services. Look for Iglu and Urbanest.

Applications

Details on how to apply will be sent to you after you've been accepted into a the Exchange program. There is one application portal for UNSW Colleges and Apartments, but separate processes for the affiliated and private providers.

Rental property

Furnished and unfurnished flats and houses are also available to rent in the suburbs around UNSW Sydney. Depending on the location, number of rooms and general condition of the property, rent will vary considerably. For example, rental prices for a two-bedroom flat may vary between A\$380 and A\$550 per week. When renting a flat or house, renters are usually required to sign a six-month lease. A bond of four weeks' rent is payable before you move in. Wifi, gas and electricity are usually not included.

Temporary accommodation

If you haven't confirmed your university accommodation before you arrive, we recommend you allow three to four weeks before classes begin to look for private housing to give you time to settle in and attend orientation sessions. Be sure to book short-term accommodation first, then look for long-term options in person. Short-term accommodation can include private hotels, motels, hostels, lodges or furnished apartments ranging from A\$45 to A\$300 per day.

Under 18s
