

Berlin Program Fellows 2015–2016, 30th Cohort

The Berlin Program is pleased to announce its 30th cohort of research fellows. Central to our program is the research colloquium, which is designed to encourage cross-disciplinary dialogue and is guided by eminent scholars each semester. Our Distinguished Lecture, Alumni Panel and Summer Workshop are part of the close cooperation with our North American partner, the German Studies Association, which provides a forum for scholarly exchange and seeks to strengthen ties between fellows, alumni and the academic community in Berlin and beyond.
