

Cutting edge computer  
science and genetics

Student community  
and cooperation

Comprehensive scientific and  
transferable skills training

# Open PhD positions in **Berlin, Germany**

International Max Planck Research School  
for Computational Biology and Scientific Computing

Apply now online at [www.molgen.mpg.de/IMPRS](http://www.molgen.mpg.de/IMPRS)  
before 22nd of February, 2016
