

PhD Program between the Freie Universität Berlin (FUB) and the China Scholarship Council (CSC)

Open PhD position for CSC scholarship candidates 2015

Please note: the PhD position is only offered to Chinese PhD candidates for application in the framework of the FUB-CSC Program.

<u>Department/Institute:</u>	Institute for Meteorology of the FU Berlin
<u>Subject area:</u>	Climate Variability
<u>Name of Supervisor:</u>	Prof. U. Cubasch
<u>Number of open positions:</u>	1
<u>Project title:</u>	Solar variability and climate response

Project description:

The aim of this study is to investigate the influence of solar variability on the Earth's climate in different timescales with focus on the potential impact of solar variability on the decadal predictability of weather and climate. The study is carried out in conjunction with the BMBF-project MIKLIP (www.fona-miklip.de).

Language requirements:

fluently English in speaking and writing
and/or
fluently German in speaking and writing

Academic requirements:

Master in Physics, Mathematics, Geophysics, Meteorology or Astronomy

Link to professor and further information:

In a first step the complete application should submit to the Beijing Office for evaluation by January 4th. Please don't contact the professor before. He will get in contact with you after having received the complete application in January.
