

## INVITATION

### to the Focus Area's 5<sup>th</sup> Annual DynAge-Workshop

Dear Colleagues,

We have the great pleasure to invite you to the 5<sup>th</sup> Annual Workshop of the Focus Area DynAge which will take place on 30 June 2017, 11:00 a.m. to 3:45 p.m., at the "Holzlaube" of the Freie Universität Berlin (Fabeckstraße 23-25, 14195 Berlin, lecture hall -1.2009).

The program features the keynote "Stem cell aging as a cause of organism aging" by Professor K. Lenhard Rudolph (Leibniz Institute on Aging – Fritz Lipmann Institute), presentations of work in progress of the DynAge project groups of the 5th funding period and a presentation of the actual EU research framework program Horizon 2020.

We are very much looking forward to welcoming you at the 5<sup>th</sup> Annual DynAge Workshop and kindly ask you to confirm your participation by completing the registration form until 11 June 2017. Please, use the following link for registration:
