

annual review of events

January

UAS video series

[‘Talking about Sustainability’](#) goes online

The [UAS teaser](#) introduces our Alliance to the wider sustainability community

February

26 UAS Fellowships in are awarded 2016

UAS Members Group on LinkedIn

The UAS Flyer supports our marketing

February

UAS Fellows 2016

March

PKU Delegation visits
[Schools@University](#)
in Berlin, FUB

April

UAS Spring Campus 2016
„Connecting Communities
for Sustainability:
Do Universities Matter?“

April

A full conference documentation is available [online](#)

May & June

Connecting with likeminded networks:

UNICA Green Meeting in Rome

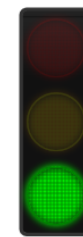

International Sustainable
Campus Network
Conference in Siena

July

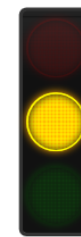

The UAS funds students for research and study stays. Soohyun Kim from the UBC used her stay at FUB for an internship with the sustainability unit and helped to bring our energy balances online. The visualization helps to communicate the consumption data user-friendly. Experts find detailed charts and real-time data on our website as well.

Rostlaube

Heat Energy

Green light: indicates 5% decrease in energy consumption compared to the same month of the year before

Electricity

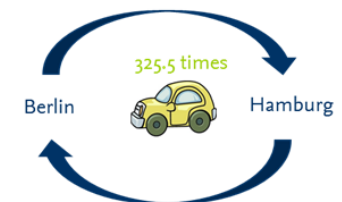

Yellow light: indicates insignificant change in energy consumption compared to the same month of the year before

Click [here](#) for more information.

Heat Energy:
Decrease in 60.4 metric tons of CO₂

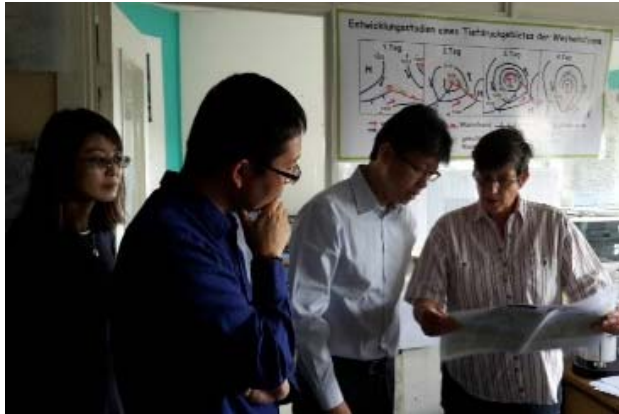

Electricity:
Decrease in 31.9 metric tons of CO₂

August

Senior Research Stay:
Prof. Xue Ling, PKU

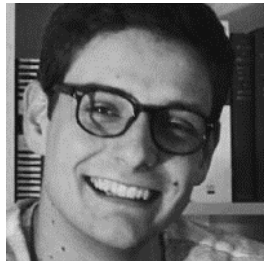

PKU Delegation
visits FUB for strategy
talks regarding
research and teaching
projects

September
