

Call for Contributions

Poster Session in the Management Workshop: “Participation as Trigger for Committed University Communities”, March 28-29, 2017

During the University Alliance for Sustainability Spring Campus 2017

The Management Workshop shall serve as a platform to share experiences on the topic of participation in the university context. To this end we invite submissions for a poster session on best practice cases for Tuesday, March 28 from 2-4pm. The poster should address one of the following topics:

- Stakeholder Engagement
- Leadership & Organizational Learning
- Student Initiatives

As a first step we ask you to send a short description (1–3 pages) about your activities, which should include pioneering experiences or successful systematic approaches.

In a second step all selected contributors will be asked to present their project in a poster session during the Management Workshop.

Each activity or project should address the following questions:

- What was the level of participation implemented in your project (see e.g. [this website](#))
- What were the advantages and disadvantages/challenges of using a participatory approach?

Proposals should be sent to the Program Manager Katrin Risch (katrin.risch@fu-berlin.de) by **Monday, January 30**. All selected contributors will be informed by beginning of February. **Selected participants may apply for financial assistance (travel and accommodation costs).**

Further information and a complete program of the Spring Campus 2017 will be available on the [UAS website](#) soon. Until then we invite you to browse the [documentation of the 2016 event](#).

We look forward to receiving your contributions and hope to welcome you to the 2nd UAS Spring Campus in Berlin!
