INDUSTRY ON CAMPUS

presented by GreenCHEM

10 am
5 pm

Green Chemistry & Sustainable Resources

On this day, we will discuss with experts from industry and start-ups ideas regarding the transformation towards a sustainable circular economy.
We are looking forward to intensive and inspiring discussions.

10:00 Welcome

Rainer Haag, FU Berlin
Martin Rahmel, GreenCHEM
Science&Startups

10:30 Biological and Pharmaceutical Transformation

Berlin Chemie – Christian Matschke
PolyAn – Uwe Schedler
StemGel – Lasse Riediger
B4 Pharma Tech – Stefan Kubick

Coffee Break

12:00 Digital Transformation

Zuse Institute – Christof Schütte
Exazyme – Philip Marckert
Dude Chem – Tino Mundt

Lunch Break

13:40 Materials and Chemical Transformation

Covestro – Karolina Walker
BASF – Faissal-Ali El-Toufaily
Traceless – Alessandro Cataldo

14:30 Collaborative Workshops

A – Biological and Pharmaceutical Transformation
B – Digital Transformation
C – Materials und Chemical Transformation

15:30 Presentation of Workshop Results/ Closing Remarks

16:00 Networking over Coffee

17:00 End of Event

Registration: industry-on-campus.eventbrite.com

Zuse Institute Berlin, Takustr. 7, 14195 Berlin – Lecture hall
