

# The Serious Transfer Game- an interactive board game of the BUA Postdoc Academy

✨ Explore the fascinating realm of technology transfer with our brand new Serious Transfer Game, developed exclusively for the BUA [Postdoc Academy](#)! ✨

Attention BUA scientists from all fields! Join us for an enriching experience where learning meets fun, tailored for postdocs like you.

In this interactive game, you'll delve into the complexities of deriving value from research outcomes. Through collaborative discussions within diverse teams, you'll confront real-world challenges and devise practical solutions, all in a supportive environment.

There's no need to bring your own project – our imaginary case sets the stage for exploration and learning.

Participate and, you will gain...

- ✨ An introduction to technology transfer
- ✨ Understanding the benefits for your project and career
- ✨ Applying research findings in real-world contexts
- ✨ Overcoming common challenges in technology transfer
- ✨ Identifying success factors and optimal strategies
- ✨ Peer-to-peer learning in interdisciplinary teams
- ✨ Networking opportunities with fellow scientists

Don't miss out on this opportunity to expand your skills and connect with like-minded colleagues. Secure your spot today and embark on a journey of discovery! 🚀 📖
