

Research Alumni

A guide to revitalizing your connections with Freie Universität Berlin

Dear former guest researcher,

We are proud to have you as one of our **international Research Alumni** and we hope that you look back on your research stay at Freie Universität Berlin with fond memories.

Whether we go “way back” or are more recent acquaintances, staying in touch is a great way to keep international exchange alive, forge new relationships, and pave the way for young researchers in your networks.

If your research stay at Freie Universität was a memorable one, we invite you to **learn about our new Research Alumni Program and pass on your experience** to help us spread the word about research opportunities at Freie Universität and Germany-wide. Just follow the links on the right to learn how!
