Internship Description

We are seeking to recruit a **Business Analyst Intern** to join our office in Madrid, Spain, for a full-time internship. The main role of the Junior Business Analyst is to help and support D2 Analytics Senior Consultants in D2 Digital Demand, D2 Digital Supply, and D2 Live Quanti projects.

Main Business Analyst tasks include:

- Data processing and analysis of raw data, mainly in Excel but also through our internal IT solution.
- Data insights reporting in Word and PowerPoint.
- Conducting desk research.
- Participate in creating perception surveys for our client projects and data clustering of the results.
- Intense communication with the IT team and outsourcing partners.
- Customization of the corporate data visualization software.
- Attending meetings with clients as part of the team (if required).
- Active role in developing Bloom Consulting Country Brand Ranking ©, City Brand Rankings, and/or other research projects.

What do we offer?

Bloom Consulting's Internship Program has been in place since 2010. It is essential to us that you have a positive experience while working with us:

- Professional Development.
- Personal Development.
- Career Development/exposure to a global environment.
- Mentorship and Guidance.
- Work on-site (or hybrid which will be discussed according to the autonomy of the candidate at a later stage).
- Flexibility.

What you will need to succeed

Key qualifications:

- **Bachelor or Master** in Economics, Business, Engineering, Business Intelligence, or similar.
- **Proficient knowledge of Excel** and competent in Microsoft Office in general.
- Very high level of English (speaking, reading, and writing), as it is the company's official language.
- A **strong data-oriented and analytical person** with problem-solving skills and a proven ability to meet deadlines.
- Entrepreneurial mindset to approach projects and tasks.
- Professional attitude, accountability, enthusiasm, and willingness to work hard.
- Previous experience may be a plus, but it is not mandatory.

Requirements:

- The general requirement for all interns is to have a **university internship agreement** with Bloom Consulting (an agreement provided by your university or an internship program such as Erasmus+).
- Valid health insurance coverage for the entire internship duration (in case of a physical internship).
- Physical presence is required (office in Madrid city center).
- Work schedule 9-18h from Monday-Friday with one-hour lunch break.
- A hybrid work model can be discussed according to the autonomy of the candidate at a later stage.
- **This internship is unpaid.**
- The **minimum duration of the internship is 3 months.**
- **Start date: as soon as possible.**
