

INVITATION

to the Focus Area's 4th Annual DynAge-Workshop

Dear Colleagues,

We have the great pleasure to invite you to the 4th Annual Workshop of the Focus Area DynAge which will take place on 15 November 2016, 10:00 a.m. to 4:00 p.m., in the Topoi Building Dahlem of the Freie Universität Berlin (Hittorfstraße 18, 14195 Berlin-Dahlem, conference room 010; for details about the venue please see: <https://www.topoi.org/home/buildings/>).

The program features the keynote 'Inflammation and organ ageing' by Professor Ursula Müller-Werdan (Medical Director of the Evangelische Geriatriezentrum Berlin and Professor for Geriatrics and Internal Medicine at the Charité - Universitätsmedizin Berlin) as well as presentations of work in progress of the six DynAge project groups of the 4th funding period. For the first time, DynAge associated postdocs will present 'New frontiers in DynAge work: Pitches by early career researchers' with a subsequent interactive 'Meet the postdocs' session. Additionally, there will be a poster exhibition of DynAge's 'research-oriented teaching' program.

We are very much looking forward to welcoming you at the 4th Annual DynAge Workshop and kindly ask you to confirm your participation by completing the registration form until 30 October 2016. Please, use the following link for registration:
