Insurance

The following insurances are mandatory and have to be verified on request

Name of the health insurance company:		Insurance number (policy number):	
Name of the accident insurance company:		Insurance number (policy number):	
Name of the liability insurance company:		Insurance number (policy number):	

The participant confirms that the insurance includes:

- Coverage of the cost of repatriation in case of an accident abroad;
- Coverage of the cost of repatriation in the case of death;
- Coverage of damages to employees resulting from accidents at work, if not covered by any insurance provided by the receiving institution;
- Coverage of damages caused by the participant at the work place, if not covered by any insurance provided by the receiving institution.

Freie Universität Berlin, the German Academic Exchange Service (DAAD, the Erasmus+ National Agency in Germany) as well as any other institution involved in the implementation of the Erasmus+ Programme are not liable in case of inadequate insurance.

I confirm that I was clearly informed about issues related to insurances and I possess adequate insurance coverage for the duration of the traineeship.

DAAD offers a special combined health, accident, and private liability insurance. The application form is available at <http://www.daad.de/ausland/service/downloads/de/4431-versicherungen/>.

The DAAD insurance package does not cover damages caused by participants in the medical professions. Medical students have to inquire about liability insurance provided by the receiving institution covering damages caused by employees and trainees at the workplace.
